

Directions on the train from Palermo

If you prefer, from Palermo there is a delightful train that goes towards Case Vecchie from Palermo Centrale stazione, located at the intersection of Via Roma and Via Abramo Lincoln. You may take a train to **Vallelunga** which is 10 minutes from the school (one train change in Roccapalumba-Alia, around €7 ticket, and travel time depends on how long of a layover) or to **Roccapalumba-Alia** which is about 45 minutes from the school (direct from Palermo, €5.60 for a ticket, and 1 hour trip). We can arrange for transportation to and from either the Vallelunga (€15 euro) and Roccapalumba-Alia station (€50 euro).

Purchase a ticket inside the Palermo station and make sure to validate it at the small green machine before boarding your train. If you are going to Vallelunga, you will need to transfer at the station Roccapalumba-Alia and board the next train for Vallelunga (check with someone about which track).

From Monday through Friday, we recommend a 2:43 pm train that arrives in Vallelunga at 4:16 pm, changing trains at Roccapalumba-Alia. Please see the [Trenitalia website](#) for timetable information.
